#### B. Submitting Comments

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to <https://www.reginfo.gov/public/do/PRAMain>. Find this particular information collection by

selecting "Currently under Review - Open for Public Comments" or by using the search function.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the OMB, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

## **II. Background**

Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC recently submitted a request for renewal of an existing collection of information to OMB for review entitled, "NRC Form 314 Certificate of Disposition of Materials." The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a *Federal Register* notice with a 60-day comment period on this information collection on August 15, 2022, 87 FR 50128.

1. *The title of the information collection:* "NRC Form 314 Certificate of Disposition of Materials."
2. *OMB approval number:* 3150-0028.
3. *Type of submission:* Extension.
4. *The form number, if applicable:* Form 314.
5. *How often the collection is required or requested:* Form is required when

NRC licensees wish to terminate their license.

6. *Who will be required or asked to respond:* Respondents are firms, institutions, and individuals holding NRC license to possess and use radioactive materials who do not wish to renew those licenses.

7. *The estimated number of annual responses:* 110.

8. *The estimated number of annual respondents:* 110.

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 55 hours (110 × 0.5 hour)

10. *Abstract:* NRC Form 314 is submitted by a materials licensee who wishes to terminate its license. The form provides information needed by NRC to determine whether the licensee has radioactive materials on hand which must be transferred or otherwise disposed of prior to expiration or termination of the license.

Dated: January 03, 2023.
